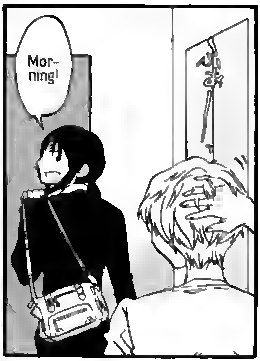
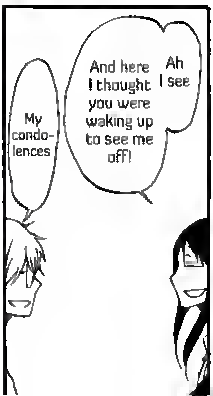
第24話



Morning!

Morning
むにゃ



My condolences
And here I thought you were waking up to see me off!
Ah I see

That's all
so I can't just sleep in and loaf all the time
It's not just that my deadline's coming up soon.
You don't have to get up early just for me
You were up late last night, weren't you?

バタン
Okay, take care!
Well then, I'm off!
Well then, today, I'll...
...make my way to work.

Wait...
Eh?
Got it!
Would you grab me a nori bentou*?
What are you going to have?
Ozawa, lunch?
Huh?
Do you have to put that much effort into something like that?
I'm drawing up plans for redesigning a room
Cool right?
This isn't work, actually
Hmm m?
You have so much work you can't spare some time to go out to eat?
What's up?
For the room make-over,
prepa-rations are needed —
— lots of prepa-rations
Ah!
Thanks.
A nonben and a chicken nanban* please.
Hello, excuse me
Huh?
Introduce me to some kouhai* who plays mahjong, won't you?
Wata-nabe,

T/N noriben/nori bentou: A lunchbox with rice, nori seaweed, vegetables, and a piece of fish or meat.
T/N Chicken nanban: A japanese chicken dish with a sweet and peppery sauce
T/N Kouhai: a junior at work or at school.

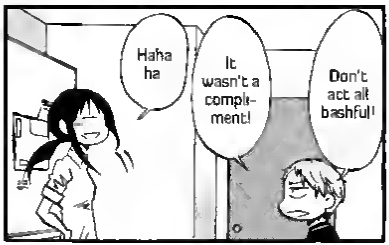
...this is the layout.

What's with that?

Well

This is lame...

Help me!
Please?
I'll introduce you to a girl, just that she won't know how to play mahjong



Haha ha
It wasn't a compli-ment!
Don't act all bashful!

You think so?
You two are really two birds of a feather...

You better believe it!
You're managing well with Bonnouji?
So?
Welcome back!
I'm home!
It's just that your room is packed
Hm?
doesn't really have much in it.
You know, your room...
Haha
Thanks for the food!
Help yourself!
Oh, I see
I'm sorry I crushed your fantasies
...just that it's a bit different from my image of a girl's room
It's not like that
Why?
Well...
I guess it is on the sparse side
Well...

Okay
I'm going to take a bath.
Is that so
But it's like you, somehow
the story
Hm?
Actually, I want to tell you
That's a compliment, okay?
Oh.
I was thinking that I'd move out
back when I packed away my ex's stuff...
Originally,
After that, I was trying my best to keep my things to a minimum

Oh
"I'm sure you don't want me to go on about my old boyfriend though, right?"
is what I thought.
So there isn't much here
because I was down after the breakup I guess
Or because it became a habit, maybe
Oh
So now for my own selfish satisfaction,
I've unloaded everything on you
That's fine.
I see
So that's why I didn't say anything before
But then, avoiding the topic didn't seem right either
Oh
Well then, this time I'm actually going for a bath
Okay
See you soo—

Thanks for saying so
Okay!
I really love that side of you
Hm?
Oya-mada-kun
I blurted that out after I felt strangely guilty-
SQZ
I'm off again!
Now,

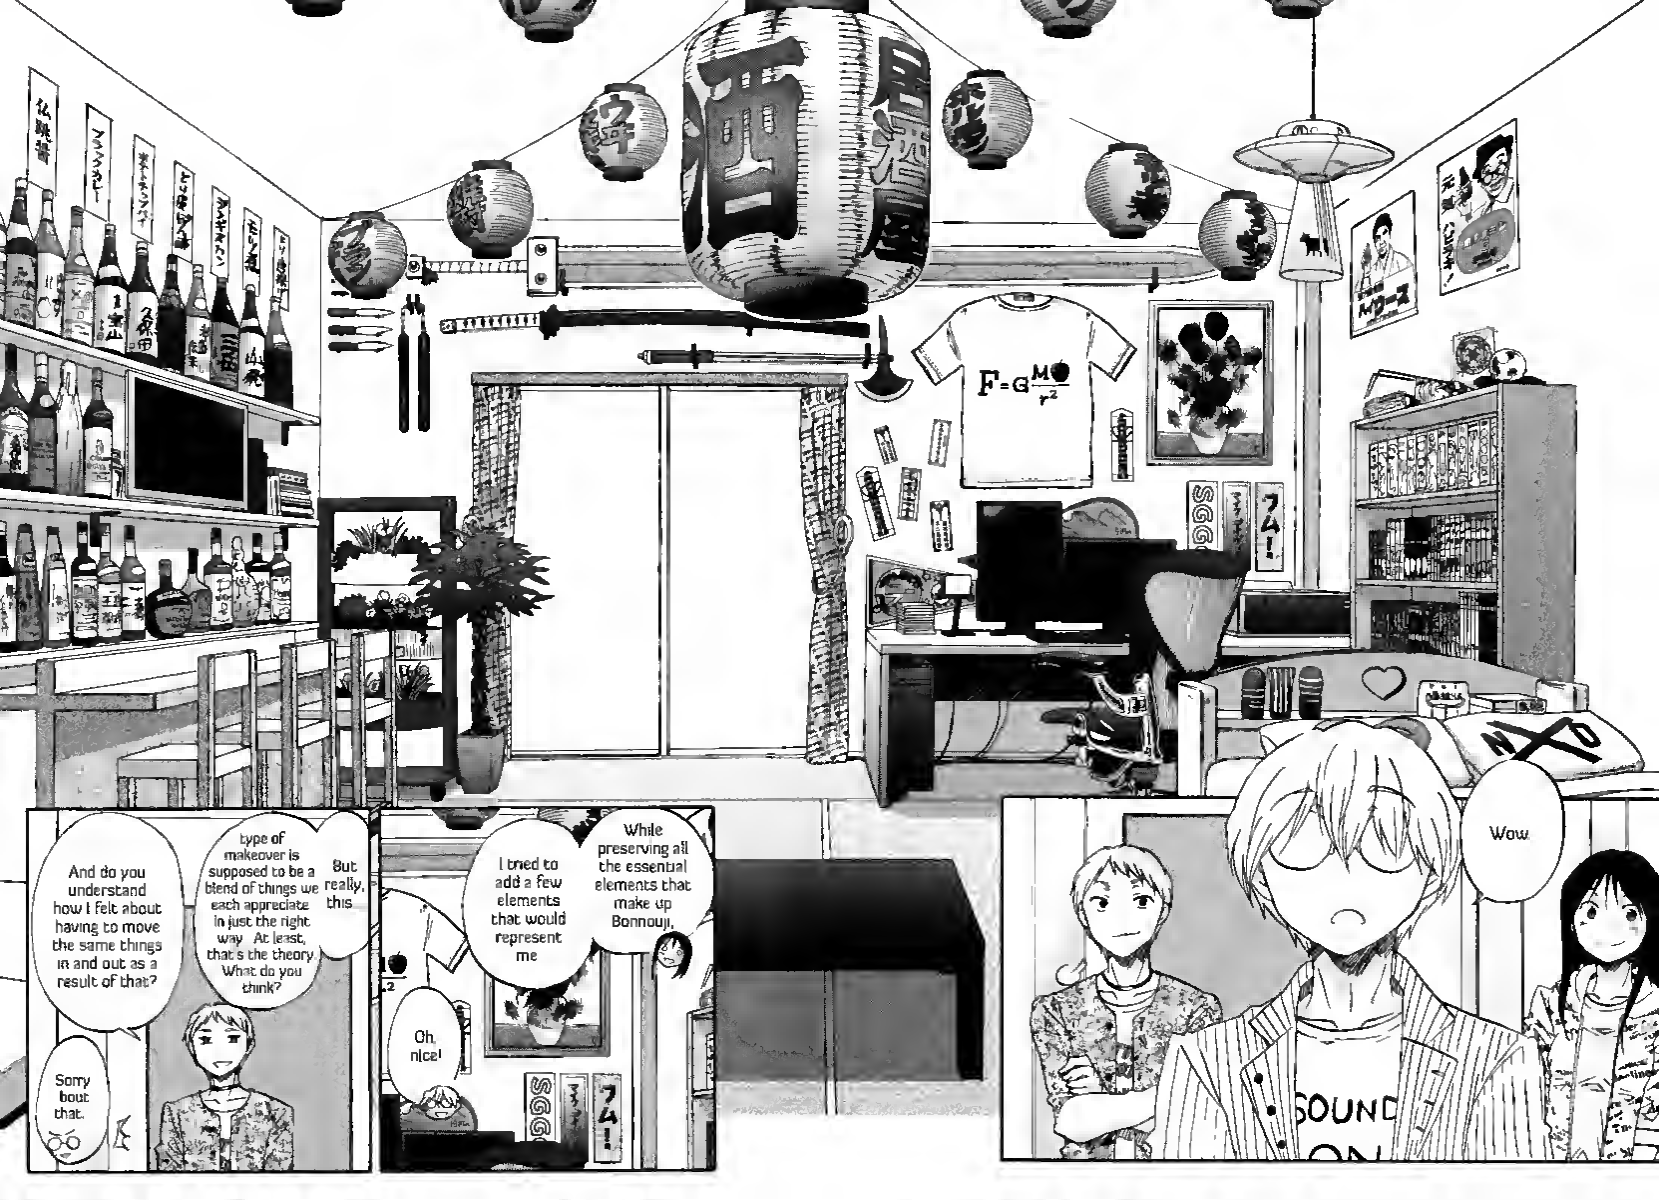
BON-ROUJI
WORK
Welcome back!
Tomorrow!
I'll be all done with Bonnouji!
Nice!
I'm home
Right.
I actually have a new PC that should be delivered tomorrow night.
I'll make sure to get it for you
Thank you
Please do!
I'm looking forward to it!
Mah

I'll hook it up later, so don't worry about the wiring or anything
kk
I'll take it out of the box at least though
Haha
It still feels like a long time since I've been on this floor though
I know
We didn't live together all that long in the end
Wow
Haha
Excuse the intrusion
Just kidding
Well then, please step inside!



酒

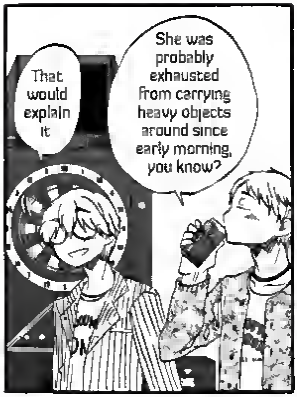
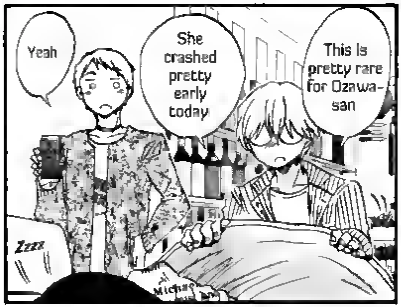
フム！
Sorry bout that.
And do you understand how I felt about having to move the same things in and out as a result of that?
But really, this type of makeover is supposed to be a blend of things we each appreciate in just the right way. At least, that's the theory. What do you think?
Oh, nice!
I tried to add a few elements that would represent me
While preserving all the essential elements that make up Bonnouji.
Wow

And this is a sofa bed for guests
Me, of course
Ah, I see
That's his contribution!
Right.
And what's with this tacky bed?
YES
NO
百発百中
Y E S !!
Let's drink!
To the completion of the new Bonnouji and —
Well Ahem then,
Kanpai!!
—To the start of your new cohabitation



That would explain it
She was probably exhausted from carrying heavy objects around since early morning, you know?

Yawn
Ah, okay, thanks for everything!
I'm really tired too



Yeah
She crashed pretty early today
This is pretty rare for Ozawa-san
Zzzz

See?
Well look
And why are you getting into the bed?
'Night.

don't you think But.. Ozawa-san will be surprised when she wakes up?
...
No way
I'll concede your right to sleep next to me
I guess there's only one option!
YES
Might be...
...Interesting.
NO
Zzzz
Next day

煩悩寺
BONNOUJI

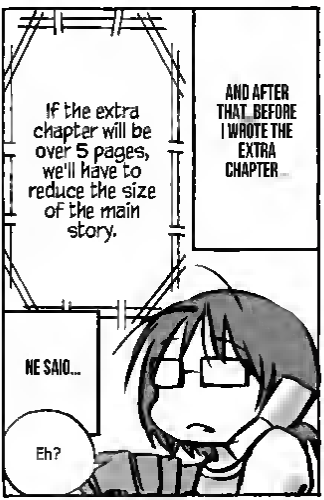
Extra manga

Well, that particular one, anyway
When it comes to bonnou...* you think about "that," you know?
Ero
エロス
煩悩寺
Volume 2 of Bonnouji!
Thank you for reading
On top of that, I was really pressured to complete 2 tankouban for other companies (a serialized work and a periodic publication...)
And since I felt ill, I stopped being able to think about anything...
Swif
...?
Swif
I'm healthy again now!
I couldn't stop the sweet voices from playing in my mind!
Aaah!
and such was volume 2!
when I was finalizing the tankouban, I had to read back and ended up taking a lot of damage.
Since I didn't have any memories of when I was completing the draft,
It looks really...
Ember rousing...
Woah...

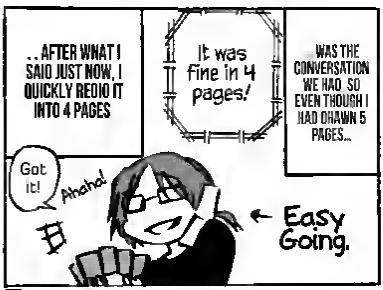
T/N Bonnou are known as "kleshas" in English (http://en.wikipedia.org/wiki/Kleshas) and are the Buddhist mental states that cloud the mind — including desire. Sorta like the 7 sins in Christianity, though more on the decadent side. Bonnouji, literally, is "The Temple of Kleshas."

Let's see.
Ah!
Those two are going out with each other, right?
Yeah That's right
Cough
I whined to my supervisor.
T-san, about that tankoubon request, do you have any good ideas?
Hmm?
Huh?!
How about Ozawa-san gives Oyamada-kun a kiss this time...?
Yes, yes.
What is it?
Actually, um...
T-san is also past middle age now, don't you think it's time you calm down a bit?
I'm not that old!!

Ahaha!!
...during that whole process, why do I have to be looking at them kissing?
I can't take it!
It's no laughing matter...
Make a rough sketch, add some shading, ink the lines, separate the parts, add color...
...and presto, a color page is finally done
Yes, yes!
Modifications, all sorts of other details...
So I thought I should use this meeting as a chance to apologize
Sorry...
Whenever I have a break at work, I am always drawing doujinshi.
NEW BOOK
Don't worry about it.
...?
And so, in that way,
I barely managed to get through the gate for this manga.
Ahaha!!
Another day
Yes, yes.
By the way, T-san...



If the extra chapter will be over 5 pages, we'll have to reduce the size of the main story.
AND AFTER THAT, BEFORE I WROTE THE EXTRA CHAPTER...
NE SAIO...
Eh?



..AFTER WHAT I SAID JUST NOW, I QUICKLY REDID IT INTO 4 PAGES
It was fine in 4 pages!
WAS THE CONVERSATION WE HAD SO EVEN THOUGH I HAD DRAWN 5 PAGES...
Got it!
Ahaha!
Easy Going.

I'll be glad if you also read volume 3
When I take breaks, I'm always playing card games.

QC note: We love easy going ppl too XD
